

BISCOTTO SANINFORNA

Protein-rich biscuit with high biological value and fiber, crafted with local flour and puglian extra virgin olive oil.

Thanks to the careful selection of ingredients, this homemade biscuit provides a balanced nutritional intake, making it the perfect choice for those who want to maintain a healthy diet without compromising on taste.

TECHNICAL SHEET

- **Durability:** The product has a shelf life of 12 months from the production date if stored in a cool, dry place, away from heat sources.
- **Storage:** It is recommended to store the product in a cool, dry place, away from direct sunlight.

BENEFITS AND KEY FEATURES

- **High-Quality Protein Source:** Ideal for athletes and those following a balanced diet.
- **Rich in Fiber:** Supports digestive well-being and prolongs satiety, thanks to its high content of carob flour and other soluble fibers.
- **Low Glycemic Index:** Free from sucrose and refined flour, it helps to maintain low sugar intake, making it suitable for those monitoring blood sugar levels.
- **No Added Gluten:** Perfect for those following a low-gluten diet.
- **Free from Artificial Sweeteners:** For a naturally sweet taste without compromising on quality.
- **No Added Soy:** Avoids GMO ingredients.
- **Suitable for all ages and lifestyles.**

SUGGESTIONS FOR USE

- **Breakfast:** Perfect paired with yogurt, fresh fruit or ricotta cheese for a complete and balanced meal.
- **Snack:** Ideal as a balanced snack during the day. Crumble it over ice cream or custard for extra crunch.
- **Homemade Dessert:** Great as a base for cheesecakes or crumbles, creating a nutritious and indulgent dessert.
